## Statement of Estimated State Revenue Impact

---

**Date:** February 16, 2010

**Bill Number:** H.B. 4514

**Author:** Cooper

**Committee Requesting Impact:** House Ways & Means Committee

---

### Bill Summary

A bill to amend Section 12-44-30, as amended, of the Code of Laws of South Carolina, 1976, relating to the Fee In Lieu of Tax Simplification Act, so as to revise the definition of "termination date"; and to amend Section 12-6-590, as amended, relating to treatment of "S" corporations for tax purposes, so as to provide that a specified amount of income taxes paid by resident and nonresident shareholders of certain "S" corporations must be deposited into a special fund and distributed by the Coordinating Council for Economic Development as grants for public infrastructure improvements, which directly support the projects, and to provide for guidelines to administer the fund and applications for the grants.

### REVENUE IMPACT <sup>1/</sup>

This bill would reduce General Fund individual income tax revenue by an estimated \$5,000,000 in FY2010-11, and each fiscal year thereafter through FY2014-15.

### Explanation

This bill would amend Section 12-6-590, as last amended by Act 116 of 2007, to require that one-half of all income taxes paid by resident and nonresident shareholders of an "S" corporation that make a capital investment of at least \$500,000,000 at a single site and hire at least 400 new employees must be paid by the State Treasurer to the Coordinating Council for Economic Development (Council). The income taxes are capped at \$5,000,000 each year for a period of five years. The county or municipality where the project is located may apply to the Council for grants from the fund by submitting a grant application. The Council shall determine the amount of monies to be received by each of the eligible counties or municipalities. All monies must be used for public infrastructure improvements which directly support the project. This bill would allow the State Treasurer to transfer up to \$5,000,000 from the General Fund to the Coordinating Council for Economic Development. This bill would reduce General Fund individual income tax revenue an estimated \$5,000,000 in FY2010-11, and each fiscal year thereafter through FY2014-15.
